

Pediatric Intake History & Questionnaire

Please fill out all appropriate sections.

Note: If desired, you may use "N" for no answers, and "Y" for yes answers.

All information contained in this document is strictly confidential

Today's date: _____

Name: _____ Date of Birth: _____

Parent or Guardian Names: _____

Pregnancy & Birth History

Is your child adopted? _____ If yes, at what age? _____

Domestic? _____ International - country: _____

Were there any complications during pregnancy (illness, infection, stress, etc.)? _____

If yes, please describe: _____

Circle one: Post mature Full term Premature Length of pregnancy (in weeks): _____

Complications during labor & delivery? _____ If yes, please describe: _____

Circle any applicable: Forceps? Vacuum? C-section?

Birth weight: _____ Length of hospital stay: _____

Any initial concerns with feeding or respiration? _____

Was your infant any of the following: Calm Fussy Colicky Easily comforted Hard to comfort

Sleep difficulties as an infant? _____

History of Torticollis or Plagiocephaly? _____

Early Developmental Milestones

As accurately as you can remember, at what age did your child...

Roll? _____ Sat alone? _____ Army crawled? _____

Crawled? _____ Cruised? _____ Walked? _____

Ride tricycle? _____ Ride 2-wheel bike? _____

Used writing utensil? _____ Scissors? _____
Hand preference? _____ Foot preference? _____

Do you have concerns about your child's development in any of these areas:

Speech or language Motor skills Social skills Sensory Behavioral Emotional

Medical History

Hospitalizations	
Reason	Date/Hospital

Other Serious Accidents/Illnesses	
Event	Date/Hospital

Does your child have any medical diagnosis? _____ If yes, please list: _____

History of ear infections? _____ If yes, describe ages & frequency: _____

Allergies? _____ Glasses? _____

History of seizures? _____ History of high fevers? _____

Respiratory infections? _____ Cardiac concerns? _____

Childhood Illness? <i>Circle any that apply</i>	Measles	Rubella	Chickenpox	Rheumatic Fever	Polio
Immunizations and dates?	Tetanus		Pneumonia		
	Hepatitis		Chickenpox		
	Influenza		MMR (<i>Measles, Mumps, Rubella</i>)		

Any medical precautions? _____

Does your child currently take any medications? _____ Any past medications? _____

Please provide name/dose/frequency: _____

Has your child had previous therapy? If yes, please list facility, services (OT, speech, PT, Psych, ABA, etc.) & approximate ages: _____

Has your child ever been in an intensive therapy/feeding program? _____

Please list relevant family history, genetic concerns, or traumatic events: _____

Feeding History

Was the child breast fed? If yes, any concerns? _____

How was the latch? _____

What was feeding schedule like? _____

If bottle fed, for how long? _____ Weaned (bottle/breast): _____

What size/shape/brand of nipple? _____

What is/was feeding like? (were they fussy, never satisfied, up often through the night to feed, etc.)

Any symptoms of dysphagia (i.e. loss of milk around the mouth, coughing, choking, heavy breathing post eating, respiratory infections, gagging, etc)? _____

Educational History

Early Intervention? If yes, please describe: _____

Preschool? _____ Age entered kindergarten: _____ Has any grade been repeated? _____

If your child is currently in school, the grade they are currently in: _____

The school they are currently attending: _____

Is schoolwork difficult? If yes, which subjects? _____

Does the client like school? _____ Any concerns? _____

Receive school-based therapy? If yes, type & frequency? _____

Movement Questionnaire

Please check all that apply. Does your child...

- _____ Become overly excited after movement activity
- _____ Seeks intense movement (spins, twirls, jumps, bounces, rocks, etc.)
- _____ Have difficulty staying still
- _____ Shake head vigorously, or assume an upside-down position frequently

Avoid or fear any of the following:

Barber's clippers Dentist tools Electric toothbrushes Toilet flushing Hair dryer
Hand dryers Bath water running

Sleeping Questionnaire

What time does your child awaken? _____

What mood is your child in upon waking? _____

What time is your child put to bed? _____

What time does your child fall asleep? _____

Describe your child's sleeping arrangement: _____

Sleeping through the night at what age? _____

Does your child have difficulty with any of the following? Please circle.

Falling asleep

Staying asleep

Frequent night waking

Do family members have interrupted sleep as a result? _____

How many times per night does s/he wake? _____

What does your child do when s/he awakens? Please circle.

Whimper

Scream

Play with toys

Goes to parent's room

Put self back to sleep

What activities do you use to get your child back to sleep? Please circle.

Feeding

Singing

Humming

Rocking

Reading

Bouncing

Massage

Other: _____

Environmental Interactions

Please check all that apply. Does your child...

_____ Appear overly sensitive to pain

_____ Appear under-sensitive to pain

_____ Overly sensitive to lights/sunlight

_____ Dislike having eyes covered

_____ Avoid environments/objects with certain odors

_____ Seek environments/objects with certain odors

_____ Seem confused about the direction of sounds

_____ Hear sounds that others do not, or before others notice

_____ Cover his/her ears to shut out auditory input

_____ Overreact to unexpected noises

Have difficulty with any of the following different types of voices:

Loud voices

Men's voices

Women's voices

Children's voices

Screaming

Crying

Demonstrate an irrational fear of any of the following noisy sounds:

Vacuum cleaner Fans Blender Coffee Grinder Hair dryer Dehumidifier
